Presents

Land Records

Modernization Conference**2020**

Debuting July 22-23, 2020

CEAO Virtual is our new 100% online event program.

With continuing uncertainty around the COVID-19 pandemic, CEAO has made the decision to transform our annual in-person event in Columbus, OH to a **CEAO Virtual Conference format**. We are starting with our Land Records Modernization Conference which will be a 100% online event that will connect engineers, auditors, recorders, tax map staff, suppliers and colleagues across the industry.

Brand New Virtual Trade Show

Our trade show in a newly created virtual format will allow you to meet existing customers and meet new ones in an innovative new way. The Virtual Trade Show Exhibit Hall gives attendees the ability to browse exhibitor booths. An Exhibitor Directory makes it easy to locate specific booths all with a click of their mouse. Attendees will be able to visit the virtual trade show during breaks and at their convenience before, during, and after the virtual event. The virtual trade show will be open 24/7. Attendees who visit all of the virtual exhibitors **before 5pm on Friday, July 24th** will be eligible for our grand prize drawing.
