SUMMER/FALL 2022

WELCOME TO COLUMBUS!

Thank you for choosing to stay with us. Whether you're visiting for the weekend or making Columbus your second home, we are so glad you chose our hotel.

As the state capital of Ohio and home to one of the nation's largest universities, Columbus is a city filled with opportunity. Neighborhoods such as the Short North and German Village are teeming with innovative restaurant concepts and artistic installations.

As there is so much to explore, I have tasked my associates with compiling some of their favorite attractions in the area – reasons why they call Columbus home. I feel that you will be quite pleased with their suggestions.

As the city is ever-changing, this guide includes QR Codes and links to business websites, which will allow you to check current hours of operation, menus, and other important information.

As always, if there is anything we can do to make your stay more enjoyable, please don't hesitate to reach out – we are always at your service.

Warmly,

ZACH KING
