RE: Official Letter of Resignation

It is with mixed emotions that I am announcing my upcoming retirement as I resign as the CEAO Executive Director on Saturday, August 31, 2024.

Over the last seven years, all CEAO members should be proud of the many good things we have accomplished. I am humbly grateful for the opportunity to have served in this capacity and in our two great professions of engineering and surveying.

I look forward to the next chapter in my life and encourage our association's membership to fully support the next Executive Director in helping make CEAO an even stronger association for the future.

My involvement in CEAO spans over 40 years. Thank you all for allowing me to share my life in this organization!

Sincerely,

Dean
