**About this event:** One of CEAO's top priorities is fostering communication between County Engineers and related partner industries. We believe these relationships stimulate positive dialogue and are of mutual benefit to all involved. This Mix & Mingle event is dedicated to you, our valued Supporting Members. It's a special occasion to express our gratitude for your partnership with CEAO and your ongoing support of Ohio's County Engineers.

**What to expect:**

Dinner & networking at the hotel, then join us for fun and games at Pins Mechanical. This is a great opportunity to connect and have fun in a casual atmosphere with our County Engineers and their high-level staff.

**Costs\*:** As a supporting member, this is a **free event for two (2) representatives from your company.** Any additional staff members can be added for **\$50 per person.**

**Add on Display Table option:** If you are interested in purchasing a marketing display table to have at the Mix & Mingle, you can add that option during online registration at [www.ceao.org](http://www.ceao.org). There is a charge of \$200 per display table. This event is not meant to be a trade show, it's a special event to recognize our Supporting Members (but we know some of you will ask if you can have a display table so we are providing this as an add-on option).

**Sponsorship Opportunities are available:** Want to stand out even more? We have several fun sponsorships still available including our Mix & Mingle Dinner Reception Sponsor, Entertainment Sponsor, Pins Mechanical Drink Sponsor, and a Friend sponsor.
